### **Eagle Johnnie Jackson Goes to Atlanta**

Johnnie Jackson of Fitzgerald, represented the East Central Technical College Adult Education Program at the 2008 EAGLE Leadership Institute in Atlanta on February 13-15, 2008. Accompanying Mr. Jackson was his instructor, Mrs. Sylvia Lockett, and Mrs. Lisa Tomberlin, executive director of the Adult Education Program. During his trip to Atlanta, Johnnie enjoyed a trip to the World of Coca Cola and Georgia's capitol. Johnnie will serve as an ambassador for adult education by spreading the word that adult education centers are located throughout the state of Georgia to promote lifelong learning whether it is providing help in getting a GED, help in reading, or help in learning the English language. EAGLE (Exceptional Adult Georgian in Literacy Education) is the first statewide program in the nation that recognizes and rewards excellence among students enrolled in adult education programs. If you are interested in attending adult education classes, please call 229-423-8200, where we build futures, one student at a time.
